

### **Become a Grower of Armstrong-Kelley Park**

While you walk around the park you will see benches placed in quiet places, for instance, there are several overlooking the John Folk Water Garden and there's two under the tall trees in the Holly Dell. A bench is a wonderful way to remember a loved one or celebrate a happy memory.

The siting of the bench and the wording on the bench take time and forethought and discussion with representatives from the Park.

Please contact the President of the Cape Cod Horticultural Society, to start the conversation. Larry Evans can be reached at [perk63@comcast.net](mailto:perk63@comcast.net) . Please leave your contact information so he can arrange a meeting with you.

The bench will be constructed locally and placed by our volunteers at the site of your choosing after a \$1,000 donation is received.
